

## For sale - 1993 Spartan/Marion Engine

The Arnold Volunteer Fire Department would like to announce that our 1993 Spartan/Marion Engine is for sale. The unit has a 1250gpm pump and a 500 gallon water - seats 6 firefighters. The engine has 51,000 miles and 3800 hours. The Anne Arundel County fire department maintenance division has done all the maintenance work on it and all records will go with the engine. The engine has a Detroit 60 series motor/470HP. The deck gun and hard tubes will go with the engine. The engine also has a power call, AM/FM, CD player, and a roto-ray.

Asking price \$70,000..
